The undersigned agrees to comply with the rules and regulations associated with any applicable tariff and the agreements and policies of Huxley Communications for any service provided. The rules and regulations associated with any applicable tariff and the agreements and policies may change from time to time including rate changes. The undersigned's use of the services constitutes continued acceptance of these rules, regulations, agreement and policies. A minimum 30 day charge will be assigned to all services cancelled within the first 30 days that are not replaced with a like service. All equipment we install or provide to you remains property of Huxley Communications and must be returned to our business office upon disconnection of services.

Fiber-to-the-Home Customers Only: *The undersigned further agrees to provide a 110 outlet for power within 15 feet of the Universal Demarcation Point (the UDP is the box located outside your house) and assume responsibility for the cost of electricity.*
